
Restaurant and Bar Laws shown on separate maps. Please see Percent of U.S. State Populations Covered by 100% Smokefree Air Laws to view the percentages in a table format, alphabetized by state/commonwealth.

100% Smokefree Workplaces: Municipalities or states/commonwealths with laws that cover all workplaces (public and private non-hospitality workplaces, including, but not limited to, offices, factories, and warehouses) that do not allow smoking in separately ventilated rooms and do not include an employee number exemption greater than one.

Maine *enacted a 100% smokefree workplace law, which is scheduled to go into effect September 12, 2009.*

Montana's *preemption law expires on October 1, 2009, when the state's smokefree air law becomes effective with respect to bars and gaming.*

Wisconsin *enacted a 100% workplace, restaurant, and bar law, which is scheduled to go into effect July 5, 2010.*
