Local 100% Smokefree Laws in all Workplaces,* Restaurants, and Bars: Effective by Year**

Only municipalities with ordinances or regulations that have effective dates through 2012 and do not allow smoking in attached bars or separately ventilated rooms and do not have size exemptions are listed here.

*Both public and private non-hospitality workplaces, including, but not limited to, offices, factories, and warehouses

**Includes any attached bar in the restaurant

Note: The jurisdiction(s) affected by county-level laws vary widely.

Look for a plus symbol (+) next to each county with a law that includes both incorporated and unincorporated areas. A county without a symbol means that the county law covers unincorporated areas only.

Look for a (~) symbol next to each municipality that enacted an earlier 100% smokefree Workplaces, Restaurants, and Bars law which was in effect for some portion of time, but which was subsequently repealed, weakened, or postponed. The date listed here is for the current 100% smokefree law.

The effective date above indicates when the municipality's provisions making all Workplaces, Restaurants, and Bars 100% smokefree become effective. Some municipalities may have enacted legislation to make the workplace, restaurant, and bar provisions effective incrementally over time. Thus, the date shown is either the date the municipality's legislation to cover all three components becomes effective or the date the last component that had not previously been 100% smokefree becomes effective.

⁺Law pertains to both incorporated and unincorporated areas of county.

[~]Municipality enacted an earlier 100% smokefree Workplaces, Restaurants, and Bars law, which was in effect for some portion of time, but which was subsequently repealed, weakened, or postponed.

Only ordinances reviewed and analyzed by ANR Foundation staff using standardized criteria are included on these lists. Omission of a particular ordinance may be the result of differences of opinion in interpretation or because staff have not yet analyzed the ordinance.
